Walk-In Clinic write offs for the month of March – August 2025 in the amount \$105,475.00.

## **Miscellaneous**

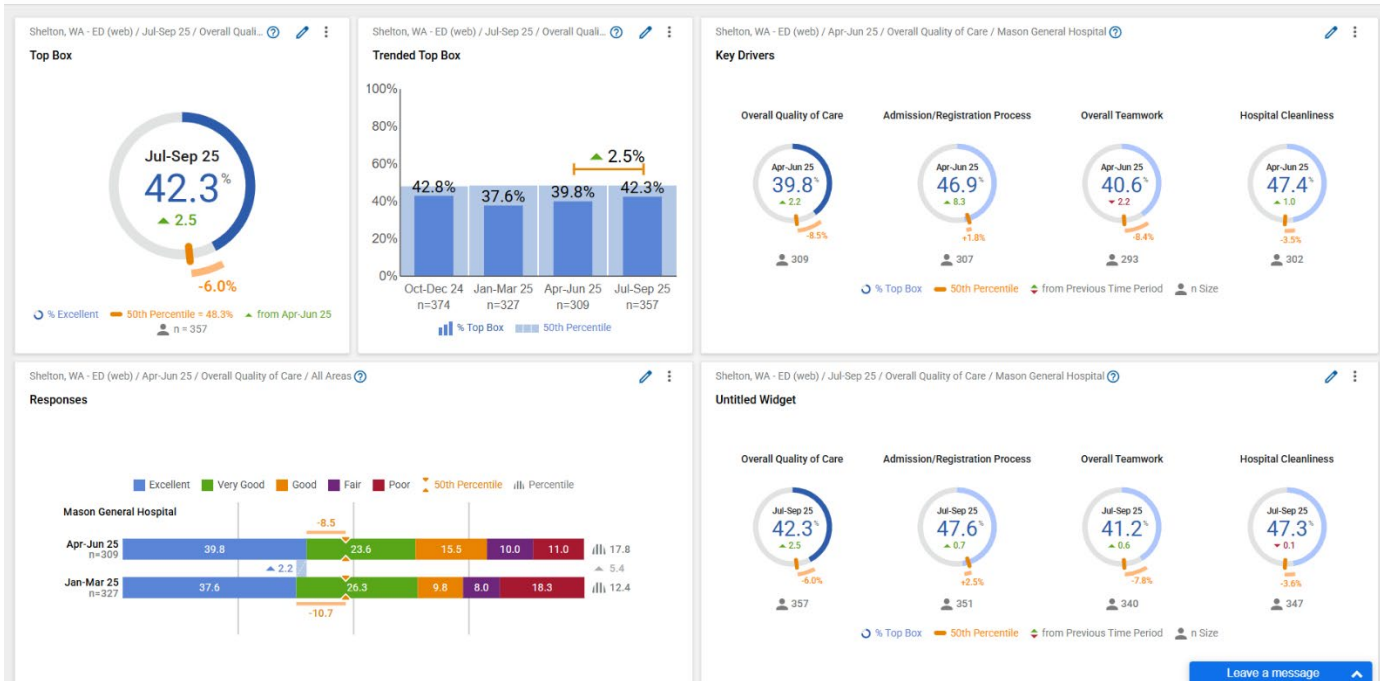

- ED leadership has been restructured. We ended the interim contract early on Monday Sept. 29<sup>th</sup> and have posted for a supervisor position. Christina will be directly reporting to Vinita Singh, Asst Chief Nursing Officer for added support. I will continue to meet with Christina to discuss strategies, expectations, and additional mentoring.
- Flu and Covid vaccines are now available for employees and patients.
- The census was lower than expected. We have had staff low censused most days.
- Melissa Strong received a scholarship to attend the National Rural Health association CNO Certification course. The course is a 6–7-month program along with a certification test. The commitment is 90 minutes/week of online learning and bi-monthly 90-minute cohort meetings. She is very excited about this opportunity to grow and has been wanting to expand her knowledge for some time now.

- ED patient experience has shown some slight improvements in all key driver categories.
