CELEBRATING NATIONAL

Volunteer Month!

Hello Volunteers!

Kim Lutey

HAPPY NATIONAL VOLUNTEER MONTH! I can't believe that the first quarter of the year has come and gone already! Thank you all for getting 2025 off on

the right foot. Now, it's time to celebrate YOU! Our **Volunteer Recognition Breakfast Banquet** is on **April 10, from 9:30 to 11:30 a.m.!** The brunch is taking place in the **Skokomish/Washington conference rooms** at the hospital, which are located downstairs next to the cafeteria. I look forward to sharing with you all the amazing reports I have from 2024, celebrating the amount of work you've done for us, and spending time with you amazing volunteers. If you are unable to make the Volunteer Appreciation Event, we will find a way to get you your gift!

The construction has officially begun at Mason Health's main campus! There are updates below for some more information on the changes happening. Our cafeteria closed on April 1st to

the public. Volunteers will be able to purchase grab-and-go hot and cold food service, along with entrée meals and beverages using a credit card only. All construction, while it may be loud or annoying at times, is to grow our hospital to make us more capable of caring for our community. Thank you all for your patience during the changing times, and we will keep you as up to date as possible!

Mason Health Week is **May 12 – 16**, during National Hospital Week. There will be more details to come, but it's a whole week of celebrating the Mason Health Workforce – which includes you! Join us for our annual BBQ appreciation on Wednesday, May 14, and be on the lookout for the delivery of your appreciation gift and other special events happening that week.

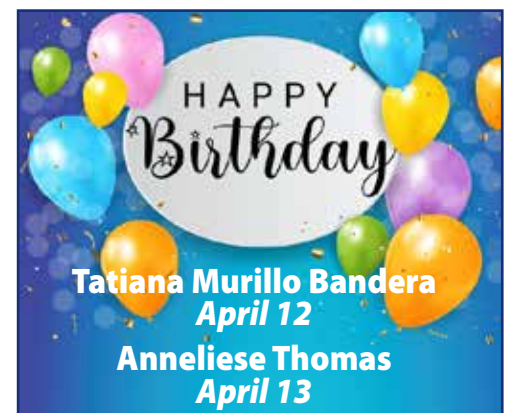

The **Quality Care Open Annual Golf Tournament** is on **Friday, July 11!** We will need volunteers to help with setting up, tearing down, and other various activities throughout the day. Please read below for more details as well.

Online Training is here! We need to get everyone trained by June 1st!

I will be sending individual emails to everyone about how to log in to the online training, what your ID number is, and I am able to reset passwords. If you do not have access to a computer, please contact me and let me know so we can get you in to do the training.

Volunteers needed — help us sort gifts!

Mason Health volunteers Dick Mineo and Santa Pablano help sort Mason Health Week gifts in 2023.

We need some volunteers to help with sorting the Mason Health Week workforce gift the week of May 5-9! There will be some lifting, twisting and bending, so please do not volunteer if you might hurt yourself helping out. We prefer to have you healthy and happy. If you are interested in helping out, please let me know and I will place you on the sign-up sheet.
