Sound Learning	Shannon Klasell	Executive Director	director@soundlearning.co	360-426-9733	www.soundlearning.co	Sound Learning provides relevant, high-quality instruction that prepares adult students for family-wage jobs and helps individuals develop the skills needed to fulfill their potential as parents, workers, and contributing members of the community. We are a nonprofit, Community-based organization. Funding sources include State & Federal grants, Foundation grants, and donations from private sources. We serve Adults and out-of-school youth age 16+ in need of basic education skills improvement, GED or HS+ diploma preparation, and English Language Learners in Mason & Thurston Counties. Main Office and program coordination is located in Shelton, Mason Co. Satellite programs are currently in Lacey, Olympia, and Tumwater. We provide instruction in a Hybrid Model: using both Face-2-Face and distance options as necessary for students to engage fully in reaching their goals. Our goal is to strengthen the knowledge, skills, and abilities that help employees become more productive and be prepared to meet employer's needs. For job seekers, we provide a pathway to improve basic skills (reading, writing, math, basics of computer use, and English). We are a critical resource to get adults to the next step on their education and career journey.	Mason and Thurston
